Project Title: Sewer Lift Station Replacement Project - South Davis/EI Macero

Project Applicant: City Of Davis

Project Location - Specific:

44449 South EI Macero Drive, EI Macero neighborhood, unincorporated Yolo County

Project Location - City: Near City Of Davis Project Location - County: Yolo County

Description of Nature, Purpose and Beneficiaries of Project:

The existing sewer lift station that serves parts of South Davis and the EI Macero neighborhood in Yolo County was constructed in 1975 and is beyond the typical service life for the style of lift station. Aging equipment and ground subsidence require urgent replacement of the lift station. The Project involves purchasing a 0.34-acre property and constructing a new sewer lift station to serve the South Davis and EI Macero communities.

Categorical Exemption. State type and section number: Existing Facilities (15301), New Construction or Conversion of Small Structures (15303)
Statutory Exemptions. State code number:

Reasons why project is exempt:

Pursuant to CEQA Guidelines Section 15303, the project is exempt because the action involves the "construction and location of limited numbers of new small facilities, structures and utility extensions," specifically the construction and relocation of one sewer lift station. In addition, the action is exempt from CEQA pursuant to CEQA Guidelines Section 15301(b) and (d) because the construction of the new lift station is a minor alteration to an existing publicly owned utility facility used to provide public utility services and restores and rehabilitates a deteriorated and damaged facility to meet current standards of public health and safety.
