Project Description: (please use a separate page if necessary)

The project consists of a tentative parcel map to divide a 2.11 acre site into two parcels (1.348 acres and 0.766 acres) for the purpose of developing a 38 unit condominium community. The project requests special development permits to deviate from development standards, a waiver for a parcel map for condominiums and a design review to demonstrate compliance with the Countywide Design Guidelines.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
