Project Title: San Diego State Marine Collections

Project Location: San Diego County (San Diego Bay and Mission Bay)

Project Description: The Department of Fish and Wildlife is issuing a permit to the San Diego State University pursuant to Fish and Game Code Section 2081(a) for educational purposes. The Section 2081(a) permit authorizes the applicant to take steelhead trout (*Oncorhynchus mykiss)* during the course of sampling, subject to terms and conditions set forth in the permit. The purpose of this sampling is for the San Diego State University's permanent collections for university classes. The Section 2081(a) permit authorizes the applicant to potentially capture steelhead trout during surveys. The applicant will conduct year-round permanent collection sampling of marine species using beach seines through December 31, 2027.
