**REVISED NOTICE OF INTENT
TO ADOPT A MITIGATED NEGATIVE DECLARATION**

July 7, 2025

Dear Property Owner or Agency:

This notice is being sent to property owners within or near the area shaded on the attached map and to all public agencies that are reviewing agencies for this environmental document. The attached map shows the property for which Quartz Hill Land, LLC, is requesting approval of Subdivision Map Application S-2023-00802 and Planned Development Plan Application PD-2025-00905, to subdivide approximately 9.4 gross acres, spanning one parcel located at 605 Quartz Hill Road, into 58 attached single-family residential lots, along with roadways and other supporting infrastructure, in an "RM-9-PD" Residential Multiple-Family District with Planned Development Overlay District.

The City of Redding Planning Division has reviewed the project and, based upon the whole record before the City (including the Initial Study and any supporting documentation), is recommending that a Mitigated Negative Declaration* be adopted pursuant to the California Environmental Quality Act.

All interested persons are invited to comment in writing on the draft Mitigated Negative Declaration to the Planning Division prior to the end of the public review period. The comment period for the Mitigated Negative Declaration began on July 3, 2025 and ends on August 7, 2025 at 5:00 p.m. A previous notice provided an earlier date that has now been revised. Subsequent notification will be made for all public hearings scheduled for consideration of the environmental document and project approval. Adoption of the Mitigated Negative Declaration will conclude the environmental review of the project.

The Initial Study, tentative map, project description, draft Mitigated Negative Declaration, and other information concerning the project are available for public review from 8:00 to 3:00 p.m. weekdays at the Development Services Department Permit Center, 777 Cypress Avenue, Redding, CA 96001, and online at: www.cityofredding.gov (*Development Services/Planning/City Planning Projects*). For more information, please contact Danny Castro, Associate Planner, by email at dcastro@cityofredding.org, or by telephone at (530) 225-4471.

A handwritten signature in blue ink, appearing to read "Lily Toy", is written over a horizontal line.

- Applicant
- Property Owner, if not applicant
- Representative

*A Mitigated Negative Declaration is a determination that a project will not have a significant impact on the environment because of mitigation measures that have been added to the project.

The purpose of the public hearing is to obtain information from the public concerning the project described above. At the hearing, the Planning Commission will consider the information provided by the public, the applicant, and staff and then determine whether to approve or deny the project. In most cases, the project will not be before the Planning Commission unless staff is recommending approval of the project. If you challenge the project or decision in court, you may be limited to raising only those issues you raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing.
