Project Description: (please use a separate page if necessary)

The Project site, is comprised of Assessor's Parcel Number (APN) 0454-081-50, is 40±-acres and configured in a roughly rectangular shape. The Project proposes the subdivision of the subject site into four (4) parcels, and a Major Variance for an increase in the lot-to-depth ratio for one parcel. The parcels are intended for individual sale and development as single-family residential properties. Each new parcel will be approximately 10 acres in size for the proposed tentative tract map (No. 20701) to accommodate residential units.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
