Project Title: State Street Widening Project

Lead Agency: San Bernardino County Department of Public Works

Contact Name: Patrick Egle

Email: patrick.egle@dpw.sbcounty.gov Phone Number: 909-387-8109

Project Location: Unincorporated Community of Muscoy, San Bernardino County

*City*

*County*

Project Description (Proposed actions, location, and/or consequences).

The improvements west of the centerline allows the addition of a 12-foot median that obliges left turn movement at intersections and midblock access to individual parcels, a 12-foot through southbound travel lane, an eight-foot shoulder to allow on-street parking and refuse pickup, and a five-foot parkway to allow sidewalk and driveway approaches. Provisions for the inclusion of ADA compliant curb ramps, curb and gutter and street lighting are also addressed. Anticipated maximum excavation depth for most work is 18-inches. Streetlights are to be installed within the Project limits at standard spacing for residential streetlighting is 200-feet on-center. The maximum excavation depth for this work will be 48".

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Air Quality, Biological, Cultural and Tribal.

See additional page for mitigation measures associated with these issues.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None

Provide a list of the responsible or trustee agencies for the project.
