Dear Ms. Barker,

Thank you for including the California Department of Transportation (Caltrans) in the review of the Mitigated Negative Declaration for the Glenneyre Street Lighting Improvement Project for the City of Laguna Beach. The mission of Caltrans is improving lives and communities through transportation.

The project involves the installation of 29 new streetlights along an approximately one-mile segment of Glenneyre Street. Regional access to the site is provided by State Route 1 (SR 1) and State Route 133 (SR 133). Caltrans is a commenting agency on this project and has the following comments:

1. The Initial Study mentions a "Traffic Mitigation Plan" in the document. Please ensure that the plan also accounts for potential impacts on pedestrians and bicyclists, besides those using vehicular transportation.

Please continue to coordinate with Caltrans for any future developments that could potentially impact State transportation facilities. If you have any questions, please do not hesitate to contact Joseph Jamoralin at Joseph.Jamoralin@dot.ca.gov.

Sincerely,

Scott Shelley (Aug 7, 2025 15:30:17 PDT)

Scott Shelley
