Project Title: Redding Electric Utility Eastside Valve Yard Fence Replacement

Project Location – Specific: 6801 Eastside Rd.

Project Location – City: Redding

Project Location – County: Shasta

Description of Project: Redding Electric Utility (REU) proposes to remove approximately 217 linear feet of existing chain link fence and install new security fencing with expanded metal panels and concertina wire, install crash rated bollards, demolish and replace curb and gutter, and replace 3/4" deco rock along fence line and around post foundations. Work includes removing and disposing of all existing chain link fencing, installing new fencing with metal panels and concertina wire, pouring concrete, reinstalling existing signage, reconnecting the existing ground wire, and raking crushed rock.

Name of Public Agency Approving Project: City of Redding

Name of Person or Agency Carrying Out Project: Wally Daniels, Project Engineer

Exempt Status: *(check one)*

- Ministerial [Section 21080(b)(1); 15268]
- Declared Emergency [Section 21080(b)(3); 15269(a)]
- Emergency Project [Section 21080(b)(4); 15269(b)]
- Statutory Exemptions. State code number:
- Common Sense Exemption (This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15601[b][3]).
- Categorical Exemption. State type and section number: Sec. 15301(c), Existing Facilities
- No exceptions apply that would bar the use of a categorical exemption (PRD 21084 and 14 CCR 15300.2).

Reasons why project is exempt: Class 1 exemptions include the operation, repair, maintenance, or minor alteration of existing public facilities. The project will involve the replacement of existing fencing materials only, will serve the same purpose as the previous fencing, and will result in no expansion of use. The project has been reviewed for sensitive resources and will not have a significant effect on biological or cultural resources such as threatened or endangered species or their habitats, sensitive vegetation communities, tribal lands, or tribal cultural resources. The project has no potential to have a significant effect on the environment.
