Attachment

Project Description: The Project will include the demolition of a majority of the existing classroom buildings. Six new buildings would be constructed, including a two-story Administration and General Classroom building; a one-story Food Services and Multi-Purpose Room building; a one- to two-story Science Labs and General Classrooms building; a one-story Student Life building, a one story Career and Technical Education and classrooms building, and a one-story Career and Technical Education and Music classrooms building. In addition, the existing Auditorium and Gymnasium, would be internally renovated. The Project would remove existing asphalt areas, and sports court/field and landscaping improvements would be included throughout the Inglewood High School campus. In addition, the Project would include campus path lighting, exterior building lights, and sports facility lighting.
