

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Alameda County Fire Station 22 Replacement Project

Lead Agency: Alameda County Fire Department

Contact Name: Eric Moore

Email: eric.moore@acgov.org Phone Number: 510-693-3402

Project Location: Town of San Lorenzo, Unincorporated Alameda County

City

County

Project Description (Proposed actions, location, and/or consequences).

The proposed fire station would be one-story, 7,688-square-feet, and 25-feet-tall. The fire station would be located on Paseo Grande, approximately 300 feet from the existing fire station. Existing fire station operation and maintenance would be transferred to the new fire station.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The proposed project could have potentially significant effects on air quality, biological resources, cultural resources, noise, transportation, and tribal cultural resources. The following mitigation measures have been incorporated to reduce potentially significant effects:

Mitigation Measure AQ-1: Fugitive Dust Control

Mitigation Measure BIO-1: Nesting Bird Surveys

Mitigation Measure CUL-1: Tribal Cultural Resources Sensitivity Training

Mitigation Measure CUL-2: Cultural Resources Monitoring Archaeological Monitoring Plan

Mitigation Measure CUL-3: Impact to Previously Undiscovered Human Remains:

Mitigation Measure NOI-1: Construction Noise Management Plan

Mitigation Measure NOI-2: Fixed Mechanical Equipment Noise Control for Building Operation

Mitigation Measure TRAN-1: Transportation Management Plan

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

The project does not contain any known areas of controversy.

Provide a list of the responsible or trustee agencies for the project.

Responsible agencies for the project include Department of Toxic Substances Control and Alameda County Department of Environmental Health.
