

NOTICE OF EXEMPTION

State of California
 The Natural Resources Agency
 California Department of Forestry and Fire Protection

PROJECT TITLE	Calforests August Complex Phase II		
PROJECT LOCATION	Near Covelo, CA, within portions of Sec. 6; T23N, R11W; M.D.B.M., Sec. 1; T23N, R12W; M.D.B.M., Sec. 19, 30 & 31; T24N, R11W; M.D.B.M., Sec. 24, 25 & 36; T24N, R12W; M.D.B.M	COUNTY	Mendocino
LEAD AGENCY	California Department of Forestry and Fire Protection (CAL FIRE)		
LEAD AGENCY CONTACT	Shannon Johnson, Staff Chief P.O. Box 944246, Sacramento, CA 94244-2460 shannon.johnson@fire.ca.gov	PHONE	530-338-8197
PROJECT PROPONENT	California Forestry Association		
PROJECT PROPONENT CONTACT	Matt Dias, President/CEO 500 Capitol Mall, Ste. 2360, Sacramento, CA 95814 mattd@calforests.org	PHONE	916-628-2747

PROJECT DESCRIPTION

CAL FIRE would provide funding to expedite priority restoration measures in high severity burn areas on approximately 760 acres of privately owned timberland owned and managed by Covelo Timberland No. 1, LLC within proximity to the community of Covelo in Mendocino County. Funding supports the broader goal of post fire recovery and forest health and resiliency. CAL FIRE funding, as it relates to ground treatments, will focus entirely on tree and woody debris removal (chipping, mastication, cut, piling, burning), site preparation, control of competing vegetation, tree planting, and post planting vegetation control, including the use of herbicide application. The project supports a local workforce within a census designated priority population. In addition to the short-term benefit of restoring and reforesting severely burned forested acres, implementation of the project will promote resilience in the natural ecosystem services, such as overall watershed improvements through improved regulation of surface runoff and groundwater infiltration, increased uptake of carbon dioxide, provide for slope stabilization, and restoration of lost forest-based habitat for species that rely upon these environments.

EXEMPTION STATUS

- Categorical Exemption Type and Section: Class
- Statutory Exemption (state code section):
- Ministerial (§21080(b)(1); 15268)
- Declared Emergency (§21080(b)(3); 15269(a))
- Emergency Project (§21080(b)(4); 15269(b)(c))

REASONS PROJECT IS EXEMPT

Pursuant to CEQA Section 21080(b)(3) and CEQA Guidelines Section 15269(a) a project is exempt from CEQA when it “maintain[s], repair[s], restore[s]... property or facilities damaged or destroyed as a result of a disaster in a disaster stricken area in which a state of emergency has been proclaimed by the Governor pursuant to the California Emergency Services Act, commencing with Section 8550 of the Government Code.” Implementation of the project would restore forested landscapes, restore carbon sequestration capacity of targeted forested landscapes, restore and increase capacity as it relates to above and below ground carbon storage, and restore forest habitat destroyed by the August Complex in 2020. The action is therefore exempt from CEQA because it would restore property damaged or destroyed as a result of a disaster for which a state of emergency was proclaimed, pursuant to CEQA Section 21080(b)(3) and CEQA Guidelines Section 15269(a).

DocuSigned by:

 John Melvin, Assistant Deputy Director
