

Central Valley Regional Water Quality Control Board

California Environmental Quality Act Notice of Determination in compliance with Section 21008 or 21152 of the Public Resources Code

To: Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95812-3044

From: California Regional Water Quality Control Board
Central Valley Region, Redding Office
364 Knollcrest Drive, Suite 205
Redding, CA 96002

Date: 23 January 2026

State Clearinghouse Number:
2025071047

Project Title:
Girvan Road Over Olney Creek Bridge Replacement Project (WDID 5A45CR00682)

Project Location - Specific:
The project coordinates are as follows: Latitude: 40.513206° and Longitude: -122.369072°

Project Location - County:
Shasta County

Name of Applicant:
Amber Kelley
City of Redding
777 Cypress Avenue
Redding, CA 96001

Description of Nature, Purpose, and Beneficiaries of Project:
The purpose of the project is to improve safety conditions for vehicle, bicycle, and pedestrian traffic on Girvan Road Bridge and to improve the hydraulic capacity of Olney Creek at the bridge. The project proposes to replace the existing bridge with a 109-foot-long, three-span, 52-foot-wide, continuous concrete slab on intermediate pile bent supports and pile supported diaphragm abutments. An existing 12-inch-diameter steel waterline, a 4-inch telecommunication duct, and a 24-inch sanitary sewer jumper pipeline, each on the downstream edge of the existing bridge deck slab, will be relocated to the downstream edge of the new bridge deck slab.

Name of Public Agency Approving Project:

This is to advise that the Central Valley Regional Water Quality Control Board, as a Responsible Agency, approved the above-described project on 23 January 2026 and has made the following determinations regarding the above-described project:

1. The Central Valley Regional Water Quality Control Board considered the Mitigated Negative Declaration as prepared by the City of Redding.
2. The Project will not have a significant effect on the environment.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A Statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

The Initial Study/Mitigated Negative Declaration is available to the general public at: City of Redding, 777 Cypress Avenue, Redding, CA.

The record of project approval is available to the general public at: [Central Valley Regional Water Quality Control Board's Adopted Orders Web page](https://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/401_wq_certs/) (https://www.waterboards.ca.gov/centralvalley/board_decisions/adopted_orders/401_wq_certs/).
