Project Title: Firebaugh Avenue Rehabilitation Project

Project Applicant: City of Exeter Public Works Department

Project Location - Specific:

Approx 1 mile of W. Firebaugh Ave from Belmont Rd up to road right-of-way to SR-65

Project Location - City: Exeter Project Location - County: Tulare

Description of Nature, Purpose and Beneficiaries of Project:

The City proposes to replace portions of the existing water main, connection services and fire hydrants, as well as road rehabilitation, replacement of curb and gutter and installation of Americans with Disabilities Act (ADA) compliant curb ramps. The Project will not conduct work within the SR 65 roadway or right-of-way.

Name of Public Agency Approving Project: City of Exeter

Name of Person or Agency Carrying Out Project: Zachary Boudreaux, Public Works Director

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
Declared Emergency (Sec. 21080(b)(3); 15269(a));
Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
[X] Categorical Exemption. State type and section number: Class 1: §15301 (b)(c) and Class 2: §15302 (c)
Statutory Exemptions. State code number:

Reasons why project is exempt:

The Project proposes to rehabilitate and replace existing deteriorating road surfaces, curb and gutter and install new curb ramps that are ADA compliant in order to meet current standards of public health and safety, and will allow for accessible and safe travel by automobiles and pedestrians. The Project does not propose an expansion in the number of traffic lanes. The Project also proposes to replace an existing water line, connections and fire hydrants that need to be upgraded or replaced, in order to meet current standards of public health and safety to provide safe drinking water. The project will not result in a substantial increase in capacity of the existing water services.
