**Project Title:** LAFCO File No. 1-S-24 | Coastal San Luis Resource Conservation District Municipal Service Review and Sphere of Influence Study

**Project Location:** Coastal San Luis Resource Conservation District (CSLRCD) covers more than 463,024 acres in San Luis Obispo County, along the coastal communities from Morro Bay to Oso Flaco including San Luis Obispo

**Description of Nature, Purpose, & Beneficiaries of Project:** The Local Agency Formation Commission (LAFCO) has prepared a Municipal Service Review (MSR) and Sphere of Influence (SOI) Study for the Coastal San Luis Resource Conservation District pursuant to Government Code Section 56430 and Section 56425. The SOI is a 20-year growth boundary that includes areas that may be served by the District in the future. State law requires the MSR to be completed either prior to or concurrent with, the SOI study. The MSR evaluates the public services provided by the District and is used as the basis for any changes to the SOI. The Commission took action to reaffirm CSLRCD's SOI to remain coterminous to the service area boundary as depicted in Attachment A, Exhibit C of the LAFCO July 17, 2025, staff report found on the LAFCO website at <https://slo.lafco.ca.gov/>. The Commission also established that CSLRCD exercises a number of general powers when operating the District as allowed under Public Resources Code Sections 9401-9420.

**Name of Public Agency Approving Project:** The San Luis Obispo County LAFCO conducted a noticed public hearing on July 17, 2025, at 9:00 a.m. in the Board of Supervisors Chambers in San Luis Obispo at the County Government Center. Additional information is available on the LAFCO website at <https://slo.lafco.ca.gov/>.

**Exemption Status: (check one)**

|                                                                              |                                                                                        |
|------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|
| <input type="checkbox"/> Ministerial (Sec. 21080(b)(1); 15268);              | <input checked="" type="checkbox"/> Categorical Exemption: Section 15306               |
| <input type="checkbox"/> Declared Emergency (Sec. 21080(b)(3); 15269(a));    | <input type="checkbox"/> Statutory Exemptions: State code number                       |
| <input type="checkbox"/> Emergency Project (Sec. 21080(b)(4); 15269 (b)(c)); | <input checked="" type="checkbox"/> Other: General Rule Exemption, Section 15061(b)(3) |

**Reasons Why Project is Exempt:** It has been determined with certainty that the MSR and SOI Study is categorically exempt under Class 6, Section 15306 and the MSR and SOI Study also qualifies for a general rule exemption under Section 15061(b)(3). There is no possibility that this MSR and SOI Study may have a significant effect on the environment because there are no land use changes associated with the documents; therefore, the CSLRCD MSR and SOI Study is found to be exempt from CEQA pursuant to Section 15306 and Section 15061(b)(3) of the State Guidelines. LAFCO will file this Notice of Exemption upon approval of the MSR and SOI Study.

  
Rob Fitzroy, Executive Officer
