Continuation sheet:

The project is located at the State Route 49 and Junction Road intersection in the community of Oakhurst in Madera County. This project would install Americans with Disabilities Act (ADA) curb ramps, replace the drainage inlet, and install a manhole on the northeast quadrant of the intersection. Accessible Pedestrian Signals (APS) system push buttons will be upgraded on all four quadrants of the intersection. There will be vegetation removal, but no tree removal. There will be a minor right-of-way take and a Temporary Construction Easement.
