NOTICE OF EXEMPTION

Sonoma County proposes to carry out the following project. Pursuant to Section 23A-11 of the Sonoma County Code, it has been determined that this project is exempt from the requirements of the California Environmental Quality Act (CEQA):

Project Title: Winter Storms 2024-25 Damaged Site – Cavedale Road (Site 2 & 3)

Lead Agency / County Agency of Filing: Sonoma County

Project Proponent (Applicant): Sonoma County Public Infrastructure

Applicant Address: 400 Aviation Blvd, Suite 100, Santa Rosa, CA 95403

Project Location: Cavedale Road at Post Mile 11.11 & PM 11.23,
(38.344272°, -122.479139°) & (38.344478, -122.478972)

Date of Approval: June 17, 2025

Exemption Filed With: Sonoma County Clerk

PROJECT DESCRIPTION:

Introduction

The County of Sonoma has proposed the 2024-25 storm damage repair projects at Cavedale Road (Postmile 11.11 & Post Mile 11.23), located near Agua Caliente, California. The Project will be funded by local funds and undertaken by the Sonoma County Department of Public Infrastructure. The purpose of the Project is to repair portions of Cavedale Road at approximately Postmiles 11.11 & 11.23 that failed during the 2024-25 storms and flooding. The County proposes to repair approximately 90 feet of roadway along Cavedale Road at PM 11.11 and approximately 120 linear feet on Cavedale Road at PM 11.23.

The project proposes to construct storm damage slide repair work along Cavedale Road at Post Mile 11.11 and Post Mile 11.23. The work includes reconstructing the downslope roadway embankment by excavating native soil and establishing subgrade benching, placing rock slope protection and fabric, placing grouted rock slope protection, a fully grouted keyway, drainage improvements, guardrail, and finally reconstructing the roadway structural section of aggregate base and asphalt concrete and other items of work needed to restore the road to a functional condition. The work at Post Mile 11.11 also includes a 90 feet length soldier pile retaining wall with concrete lagging. Limited tree removal is also required to facilitate the work.

The project has 60 working days, which is a construction duration of roughly 3 months.

This notice was posted on 07/25/2025
and will remain posted for a period of thirty days
through 08/25/2025

Doc No.49-07252025-295

Deva Marie Proto, County Clerk

BY: 
Carrie Anderson, Deputy Clerk

EXEMPT STATUS:

Statutory Exemption(s). 15269 [Emergency Projects]

Categorical Exemption(s). 15301 [Existing Facilities], 15302 [Replacement or Reconstruction]

REASONS WHY THIS PROJECT IS EXEMPT:

The proposed project is statutorily exempt from environmental review pursuant to section 15269 [Emergency Projects] and categorically exempt from environmental review pursuant to Sections 15301 [Existing Facilities] and 15302 [Replacement or Reconstruction] of the Guidelines for Implementation of CEQA. Section 15269(b) exempts emergency repairs to publicly or privately owned service facilities necessary to maintain service essential to the public health, safety or welfare. Section 15269(c) exempts specific actions necessary to prevent or mitigate an emergency. Section 15301(c) exempts the repair or minor alteration of existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities. Section 15302(c) exempts the replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity. There is no reasonable possibility that the project would have a significant effect on the environment.

This Notice of Exemption is filed pursuant to the provisions of Section 15062 of the State CEQA Guidelines.
