Project Applicant: Loretta Ann Catania, Trustee of the Childers Family Trust

Project Location (include county): 1905 Wixom Road, El Centro, Imperial County, California

Project Description:

The Applicant seeks approval for a minor subdivision of land. The proposed action involves dividing an existing parcel into two distinct lots. The subject property is the remaining portion of land, approximately 61.48-acres, originating from Parcel Map No. 2345, which had previously been approved by the Imperial County Planning Commission on February 13, 2002. As part of that prior action, a 40-acre relinquishment of residential development rights was granted to the County of Imperial, as documented in recorded Document No. 2003010143. One of the proposed lots would be designated to contain an existing single-family residence, constructed in approximately January 1976, according to County records. The other lot would remain as an active agricultural field. No changes to the existing zoning designation or land uses are proposed as part of this request.
