Present Land Use/Zoning/General Plan Designation:

The project site is designated and zoned for residential low density uses by the City of Arcata

Project Description: (please use a separate page if necessary)

The California State Polytechnic University at Humboldt (Cal Poly Humboldt) proposes to develop and operate a parking lot and shuttle station (the project) at 2000 Foster Avenue (Assessor's Parcel Number 505-161-011). The project site is owned by the Board of Trustees of the California State University (CSU). The project would be developed in a single phase and would result in paving of the project site to support long-term student parking, improved access to the project site, provision of construction of a shuttle stops within the parking lot and bus stop at the intersection of 17th and Q Street, landscaping, lighting, and bioretention facilities to support on-site stormwater management. In addition, the project involves modification of the Humboldt State University 2004 Master Plan (Campus Master Plan) to remove the approved Parking Structure P from the main campus and include the project site as part of the Campus Master Plan.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
