Project Description: *(please use a separate page if necessary)*

The project proposes restoring waste disposal services to North Monterey County by developing a new recycling and transfer station at the closed landfill. The facility would accept and transfer off-site up to 400 tons per day of municipal solid waste, recyclables, and organics, with a household hazardous waste (HHW) drop-off and other site improvements. All materials will be transferred offsite for processing and disposal. Operating hours will be 7 AM - 4 PM (Mon - Fri) and 8 AM - 4 PM (Sat - Sun).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
