Project Title: "Newport Beach" 3 (05905184) Rework

Project Applicant: City of Newport Beach

Project Location: Orange County, West Newport Oil Field; Section 29, Township 6S, Range 10W San Bernardino Base; 33.62576675, -117.94615936

Project Description: The project involves surface and subsurface rework activities. This oil well rework will involve running and cementing a tieback casing in an already existing casing. Project Activity will be restricted to existing oil field infrastructure – well site and roads. A well service rig and various support trucks and equipment are expected to be used during the rework activity. There are no new facilities being constructed. No expansion of the existing well pad is planned. Existing well pads should accommodate all the required equipment. Negligible vegetation removal is proposed for this project. No impacts to wildlife are anticipated and no mitigations related to these species are currently planned for this project. The job is not anticipated to take long, the rig's presence will range from a week to a couple of months with the Tracer Survey occurring within 90 days of the rig work completion.

The proposed project consists of the California Department of Conservation, Geologic Energy Management Division (CalGEM) approving 1 permit for The City of Newport Beach to rework the well listed below in the West Newport Oil Field.

CEQA Exceptions to the Exemptions (14 CCR § 15300.2)**:** where project is located (e.g., sensitive environment); Cumulative Impact; Significant Effect due to Unusual Circumstances; Scenic Highways; Hazardous Waste Sites; Historical Resources.

Reasons Why Project is Exempt: The basis for CalGEM's determination that the project is exempt from the requirements of CEQA is provided in the brief explanation below.

This NOI states the proposed project was identified by CalGEM district engineers as involving remedial/rework to address well integrity issues that requires swift action for the protection of public health, safety, and the environment. The categorical exemptions that apply in this case include, but are not necessarily limited to Class 1, Existing Facilities, Cal. Code Regs., tit. 14, §§ 15301, 1684.1, Classes 7 and 8, Actions by Regulatory Agencies for Protection of Natural Resources and the Environment, Cal. Code Regs., tit. 14, §§ 15307, 15308, and may also include Class 2, Replacement or Reconstruction, Cal. Code Regs., tit. 14, § 15302, and Class 4, Minor Alterations to Land, Cal. Code Regs., tit. 14, §§ 15304, 1684.2.

A copy of this NOE (as required by 14 CCR § 15062(a)) and all other related materials can be made available to the public by contacting the CalGEM CEQA Program,
