Attn: Community Development Director

Project Title:	Indian Hill Boulevard at I-10 Underpass Resrufacing

Project Applicant:	City of Claremont

Project Location – Specific:	Indian Hill Boulevard at the I-10 Underpass, in the City of Claremont. Specifically, Los Angeles County		
Project Location – City:	City of Claremont	**Project Location – County:**	County of Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project:	The City of Claremont be performing routine roadway maintenance work in form of grinding and paving the existing asphalt surface, which will include restoring the striping to the existing roadway layout, and to re-install any damaged traffic signal loops resulting from this work.

Name of Public Agency Approving Project:	City of Claremont, 207 Harvard Avenue, Claremont, CA 91711, 909-399-5470

Name of Person or Agency Carrying Out Project:	City of Claremont

Exempt Status: (check one)

☐ Ministerial (Section 21080(b)(1); 15268);

☐ Declared Emergency (Section 20180(b)(3); 15269(a));

☐ Emergency Project (Section 21080(b)(4); 15269(b)(c));

☒ Categorical Exemption. State type and section number: Class 1 Existing Facilities, consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use.

☐ Statutory Exemption. State code number: _____

Reasons why project is exempt:

The Director of Community Development has determined that the proposal is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Section 15301 Existing Facilities (c) for existing highways or streets, in that the project entails the maintenance of the Indian Hill Boulevard at the Interstate 10 Freeway underpass, with the griding and paving of the existing asphalt roadway, the public right of way is being maintained to be consistent with the pre-existing conditions, and as such, will not cause a substantial adverse change. Therefore, no further environmental review is necessary.
