Present Land Use/Zoning/General Plan Designation:

Residential Suburban

Project Description: *(please use a separate page if necessary)*

A request by Ryan Howes for a Variance (N-DRC2025-00003) to allow grading on slopes exceeding 30% to facilitate the construction of a residential driveway intended to serve a 6,422-square-foot single-story single-family residence, a 1,131-square-foot attached garage, and three outdoor deck areas totaling 689 square feet. The proposed project will result in approximately 0.92 acres of site disturbance. While the proposed structure will not require grading on slopes exceeding 30%, there are multiple locations along the driveway where grading on such slopes will be necessary. Additionally, trenching for utility connections will also occur in areas with slopes exceeding 30%. The project includes site improvements over approximately 0.92 acres and would involve approximately 1,060 cubic yards of cut and 1,600 cubic yards of fill, including trenching for utilities. The project site is located at 1523 Badger Canyon Lane, at the intersection of Badger Canyon Lane and Fox Canyon Lane, in the unincorporated area of Arroyo Grande. The project site is within the Residential Suburban land use category and lies within the San Luis Bay Inland Sub-Area, South, of the South County Planning Area.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
