Project Title: Transcendence Theater Company Summer Event Series 2026

Project Applicant: Transcendence Theater Company, Brad Surosky, 19201 Sonoma Highway #214, Sonoma, CA 95476

Project Location: Field of Dreams, 151 First Street West, Sonoma, CA 95476

Description of Nature, Purpose and Beneficiaries of Project: Approval of Sonoma Valley Field of Dreams (SVFOD) to allow the temporary use of the Field of Dreams (FOD) by Transcendence Theater Company for a specified period of time, May through September 2026, pursuant to the lease agreement between SVFOD and the City. Also authorizes the special event permit with special conditions to address noise, parking, public access, insurance and indemnity.

Name of Public Agency Approving Project: City of Sonoma

Exemption Status:

- ☐ Ministerial (Section 21080(b)(l); 15268)
- ☐ Declared Emergency (Section 21080(b)(3); 15269(a))
- ☐ Emergency Project (Section 21080(b)(4); 15269(b)(c))
- ☐ Statutory Exemption; state code number:
- ☒ Categorical Exemption: Section 15304 (Minor Alterations to Land), Section 15323 (Normal Operation of Facilities for Public Gatherings), and Section 15061(b)(3) of the CEQA Guidelines

Reasons Why Project is Exempt: City determined that the project is categorically exempt from the California Environmental Quality Act (CEQA) under Section 15304 (Minor Alterations to Land), Section 15323 (Normal Operation of Facilities for Public Gatherings), and Section 15061(b)(3) of the CEQA Guidelines. The project is categorically exempt because it would entail a minor temporary use of land having negligible or no permanent effects on the environment. Additionally, the project consists of the normal operations of the Field of Dreams for a series of special events. The Field of Dreams has a history of being used for public gatherings, tournaments, sporting events, and music festivals, was designed for this purpose, and there is a reasonable expectation that future occurrences would not be a change in the operation of the Field of Dreams. Finally, the project is exempt because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
