Project Title: Electric Top Handler Charging Stations – Harbor Development Permit No. 25-044
State Clearinghouse No:
Project Location – Specific: Pier C Street; Harbor Planning District 2 – Northeast Harbor
Project Location – City: Long Beach, California **Project Location – County:** Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project:

Installation of approximately 9-10 DC Fast Chargers to support human-operated battery electric top handlers.

Exempt Status:

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption. State type and section number: **Section 15303 (Class 3. New Construction or Conversion of Small Structures)**
- Statutory Exemption. State code number:
- Common Sense Exemption (Section 15061(b)(3))
- Other:

Reasons why project is exempt:

Section 15303 New Construction or Conversion of Small Structures (Class 3): The Class 3 Categorical Exemption consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project involves the installation of approximately 9-10 new DC Fast Chargers to support human-operated battery electric top handlers.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15303 (Class 3. New Construction or Conversion of Small Structures); therefore the Project is exempt from CEQA and no further environmental review is required.
