Project Title: Gloria Jean Tate Park Lift Station

Project Applicant: Marina Coast Water District

Project Location (include county): City of Marina, Monterey County, California

Project Description:

The proposed project consists of the construction and operation of a new sanitary sewer lift station at the northern end of Gloria Jean Tate Park. The new lift station will transmit wastewater flow through a new sanitary sewer force main that would be installed within the following public roadways: Drew Street, Abdy Way, Cardoza Avenue, Reservation Road, and an existing pipeline easement crossing two commercial properties, ending at a new manhole at the west end of Seaside Court where the proposed project would tie into the existing MCWD system. In addition, the proposed project includes the replacement of the existing gravity sewers in Seaside Court with a new larger gravity sewer.

This is to advise that the Marina Coast Water District has approved the above
