PROJECT TITLE: Brar Farms Residential Development Project (SCH: 2025090414)

The California Geologic Energy Management Division (CalGEM), has received the above-referenced project. CalGEM's records indicate that there are 10 wells within the vicinity, listed on the Attachment. <https://maps.conservation.ca.gov/calgem/findwells/>

If work is to be performed on any oil, gas, or geothermal well, prior approval from CalGEM is required. CalGEM advises against building over oil, gas, or geothermal wells, or impeding access to accommodate equipment that may be needed should an issue arise with a well. In the event that access to a well is required, impeded access could result in removal or demolition of any structure or obstacle that prevents or impedes access. CalGEM does not compensate owners for removal or demolition, when required, due to impeded well access. CalGEM advises against installing impermeable barriers over previously abandoned wells as any leaks could trap hazardous gases or liquids beneath the barrier and create a safety hazard.

CalGEM recommends that a licensed Petroleum Engineer evaluate any well that may be built over or have access impeded to determine if the well meets current standards. A well that does not meet standards can create a significant health and safety risk. CalGEM recommends that any well not meeting current standards be either abandoned or re-abandoned. https://www.conservation.ca.gov/calgem/for_operators

Should you have any questions, need approval to work on a well, or encounter any wells that are not on the following list, contact CalGEM at 916-322-1110 or via email at email CalGEMNorthern@conservation.ca.gov.

Sincerely,

May Soe

Based on CalGEM's WellFinder database*, the following wells are indicated to be in the project area. This information is provided as a courtesy for initial investigatory work, and all locations should be verified by physical surveys.

Wells in the Project Area		
API	Well Designation	Latitude, Longitude
0411320081	Nishimura 1	38.53481674, -121.56848145

Wells within 1 Kilometer of the Project		
API	Well Designation	Latitude, Longitude
0411320443	Sacramento Port Unit 1	38.53401566, -121.55641937
0411320065	Greens Lake Unit 1 2	38.53944778, -121.57830048
0411320052	Greens Lake Unit 1 1	38.53556442, -121.57801819
0411320769	Hayashi 19-1	38.53092575, -121.57522583
0411320086	Greens Lake Unit 1 3	38.53039169, -121.57502747
0411320503	Transamerica 1-20	38.52905273, -121.57415771
0411320129	Greens Lake Unit 1 4	38.52696609, -121.57698059
0411320156	Shoshone-EGL Unit 1 1	38.52818680, -121.56932068
0411320092	Greens Lake Unit 2 1	38.52495575, -121.57162476
