Subject: SCH# 2025090719

The Barstow Area of the California Highway Patrol received the Notice of Completion and Environmental Document Transmittal for State Clearinghouse (SCH#) 2025090719. The California Highway Patrol's interest in commenting, surrounds our concern for public safety, specifically traffic in the Barstow area.

The Department's concerns with the potential impact of this project could include increased traffic congestion, additional enforcement demands, and increased incidents requiring emergency response during construction. This project could have a negative impact on our operations due to the increased traffic congestion, which would necessitate the need for additional traffic control measures to mitigate the potential increase in traffic crashes. We are hopeful work project operators will diligently establish, monitor, and enforce work project rules related to vehicle safety as CHP personnel work to ensure compliance with the California Vehicle Code provisions.

If you have any questions regarding these concerns, please contact me at the California Highway Patrol Barstow Area office at (760) 255-5900.

Sincerely,

Adam Carmichall - for

E. MEEKER, Captain
Commander
