Project Title: Las Flores Pipeline CA-325 Repair Project (Streambed Alteration Agreement No. EPIMS-SLO-57972-R4)

Project Location: The Project is located within the unnamed tributary to the Cuyama River, on the California Department of Fish and Wildlife Carrizo Plain Ecological Reserve, located north of State Route 166 (Cuyama Highway) at postmile 48, approximately 16 miles west of New Cuyama, in San Luis Obispo County, State of California; Township 32 South, Range 18 East, Section 12; Mount Diablo Baseline and Meridian; on the *Taylor Canyon* United States Geological Survey topographic map; latitude 35.05946 and longitude -119.93314; Assessor's Parcel Number 094-401-044.

Project Description: The California Department of Fish and Wildlife has executed Streambed Alteration Agreement number EPIMS-SLO-57972-R4, pursuant to Section 1602 of the Fish and Game Code to Sable Offshore Corporation, represented by Brian Lance Yearwood.

The Project includes the excavation, grading, and revegetation activities to remediate impacts created by the unauthorized repair of a pipeline anomaly CA-325 activity that occurred within an approximately 0.22-acre (125 linear foot) area of the unnamed tributary to the Cuyama River.

Public Agency Approving Project: California Department of Fish and Wildlife

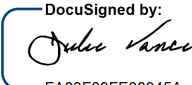

Person or Public Agency Carrying Out Project: Brian Lance Yearwood, Sable Offshore Corporation

Exempt Status:

- ☐ Statutory Exemption
- ☒ Categorical Exemption. Type – Class 4; California Code of Regulations, title 14, section 15304

Reasons why project is exempt: The Project is exempt because it includes the remediation and revegetation of unauthorized grading and excavation activities, including the removal of grasses and salt brush scrub habitat along an approximately 125 linear foot and 0.22-acre area of the unnamed tributary to the Cuyama River and on the California Department of Fish and Wildlife Carrizo Plain Ecological Reserve. No significant environmental impacts will result if the Project is completed under the protective features included in Streambed Alteration Agreement No. EPIMS-SLO-57972-R4.

CDFW Contact Person: Heather Rodriguez (Senior Environmental Scientist (Specialist)), (559) 578-0836 or heather.rodriguez@wildlife.ca.gov.
