

**Notice of Availability of the Draft Environmental Impact Report for the
California Department of Forestry and Fire Protection Butte Fire Center Replacement Project
YOU ARE INVITED TO REVIEW AND COMMENT**

The California Department of Forestry and Fire Protection (CAL FIRE) and the Department of General Services (DGS) are releasing the Draft Environmental Impact Report (DEIR) for the Butte Fire Center Replacement Project for public review and comment from March 23 to May 6, 2026. The project proposes the partial demolition and reconstruction of the facilities and structures associated with the Butte Fire Center, a historic district. Construction activities would occur within a 16-acre area of the project site and would result in 67,331 square feet of new structures including an administrative building, captain's barracks, laundry building, training building, auto shop, warehouse, six crew dormitory buildings, apparatus garages, electric building, multi-purpose building, and vehicle wash building. Buildings and structures that would remain include the mess hall, three crew dormitory buildings, an apparatus garage, saw/tool shop, two equipment storage structures, electrical building, septic collection tanks, portable building, gazebo deck, basketball court, as well as several accessory elements (e.g., rock wall, concrete steps, etc.). The DEIR identifies significant and unavoidable effects to Historical Resources.

Written comments will be accepted by DGS through 5:00 PM on May 6, 2026. Comments must be delivered or mailed to:

Stephanie Coleman, Senior Environmental Planner
Department of General Services, Real Estate Services Division
Mailing Address: P.O. Box 989052, West Sacramento, CA 95798
Street Address: 707 3rd Street, 4th Fl, West Sacramento, CA 95605
Email: environmental@dgs.ca.gov

The DEIR is available for review at the following locations:

- Department of General Services, Environmental Services Section between 8:00 AM and 4:30 PM
- Request a copy by email at: environmental@dgs.ca.gov
