NOTICE OF EXEMPTION

Project Title:

Imperial Massage for Therapy Certificate of Nonconforming Use (NCS)

Control Number:

PLNP2025-00136

Project Location:

The project is located approximately 350 feet east of the intersection of Fair Oaks Boulevard and Greenback Lane in the BP zone, in the Fair Oaks community of unincorporated Sacramento County.

APN:

261-0020-003-0002

Description of Project:

The project consists of a Certificate of Nonconforming Use to allow for continued operations of a massage establishment with multiple providers in the BP zone.

The massage establishment was established in 2024 at this location and this project will allow for the continuation of the existing use. It does not involve expansion or a change in the existing use.

Name of Public Agency Approving Project:

Sacramento County – ceqa@saccounty.gov

Person or Agency Carrying out Project:

Imperial Massage for Therapy
12801 Fair Oaks Blvd
Citrus Heights, CA, 95610
Attn: Viktoriia Skarbovskaia
info@imperialmft.com
(279) 444-7850

Exempt Status:

Categorical Exemption (PRC Section 21084; CEQA Guidelines Sections 15300-15333):

- CEQA Guidelines Section 15301 – Existing Facilities

Reasons Why Project is Exempt:

Class 1 consists of the operation, permitting, and licensing of an existing public or private structure, involving negligible or no expansion of an existing or former use. The project consists of a Certificate of Nonconforming Use to re-establish a mini storage facility. This project will involve no expansion of an existing use and is therefore exempt from the provisions of CEQA.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

The project exemption is not one of the above classes and this exception does not apply.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

As it stands, the project will not result in potentially significant impacts. Therefore, no cumulative impacts will result from the project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

The project consists of permitting and licensing of an existing business and does not involve any physical improvements. There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

River Road/ Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The Project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

The project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, implementation of the project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

The project site does not contain any historical resources.
