Project Applicant: City of Imperial

Project Title: Operation of the City of Imperial's Expanded Treatment (Project)

Project Location: 201 S B Street, Imperial, coordinates 32°50'43.2"N 115°34'47.6"W

Project County: Imperial

Project Description: The Applicant proposes to operate newly upgraded water treatment equipment including granular activated carbon vessels and clearwells as part of its public water system at their existing water treatment plant.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a domestic water supply permit amendment for the above-described Project on September 18, 2025. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water district office listed above.

CATEGORICAL EXEMPTION STATUS: Class 1: Existing Facilities Cal. Code of Regs., section 15301

Reason Why the Project Is Exempt: The Project is exempt because it is the operation of water treatment infrastructure constructed by the City of Imperial at their existing water treatment plant with no change in use. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
