Project Description (Proposed actions, location, and/or consequences).

The San Diego Metropolitan Transit System (MTS) proposes to retrofit infrastructure at the Rio Vista Station on the MTS Green Line in the City of San Diego for safety purposes.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potential impacts as a result of the proposed Project include impacts to biological resources, cultural resources, geology and soils, hydrology, noise, water quality, and tribal cultural resources. Avoidance, minimization, and mitigation measures would be implemented to reduce any potential impacts to less than significant. No unavoidable and significant impacts would occur as a result of the proposed Project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None.

Provide a list of the responsible or trustee agencies for the project.
