Project Description (Proposed actions, location, and/or consequences).

The Calaveras Council of Governments (CCOG), as the Regional Transportation Planning Agency (RTPA) for Calaveras County, has prepared the 2025 Regional Transportation Plan (RTP), a long-range planning document that identifies transportation goals, policies, and proposed projects through the year 2045. The RTP addresses roadway maintenance and operations, active transportation, transit, aviation, goods movement, and multimodal network improvements. The RTP does not authorize construction but serves as a guiding framework for future transportation investments. The project involves the adoption of the 2025 RTP.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The project involves the adoption of a regional planning document and does not directly authorize construction activities. No significant or potentially significant impacts will occur, as a result of the project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None.

Provide a list of the responsible or trustee agencies for the project.
