Project Description: *(please use a separate page if necessary)*

The Calaveras Council of Governments (CCOG), as the Regional Transportation Planning Agency (RTPA) for Calaveras County, has prepared the 2025 Regional Transportation Plan (RTP) Update, a long-range planning document that identifies transportation goals, policies, and proposed projects through the year 2045. The RTP addresses roadway maintenance and operations, active transportation, transit, aviation, goods movement, and multimodal network improvements. The RTP does not authorize construction but serves as a guiding framework for future transportation investments. The project involves the adoption of the 2025 RTP Update.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
