Date Form Completed: September 26, 2025

This is to advise that the San Diego County Solid Waste Local Enforcement Agency has approved the above-described project on September 24, 2025 and found the project to be exempt from CEQA under the following criteria:

**Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)**

- Categorical Exemption:** Sec. G  
 **Declared Emergency:** Sec. C 21080(b)(3); Sec. G 15269(a)  
 **Emergency Project:** Sec. C 21080(b)(4); Sec. G 15269(b)(c)  
 **General:** Sec. C.  
 **Preliminary Review:** Sec. G  
 **Statutory Exemption:** Sec. G 15268 - Ministerial Projects

**Statement of reasons why project is exempt:** The proposed permit process is defined and authorized by Title 14, California Code of Regulations, Division 7, Chapter 5, Article 3.0 – Regulatory Tier Requirements. As specified in Section 18104.7(d), the LEA is compelled to follow the procedures set forth in Sections 18104.2 and 18104.3 to review and accept an application and issue a registration permit. Accordingly, because LEA is required to issue the permit contingent on the applicant's conformity to applicable statutes, ordinances, regulations, or other fixed standards, the project approval is a ministerial action and is statutorily exempt per Section 15268 of the CEQA Guidelines.

The following is to be completed only upon formal project approval by the appropriate County of San Diego decision-making body.
