

**Notice of Intent to Adopt
Negative Declaration
Colusa County 2025 Regional Transportation Plan**

The proposed project is the adoption and implementation of the 2025 Colusa County Regional Transportation Plan (RTP). The 2025 Colusa County Regional Transportation Plan will serve as the planning blueprint to guide transportation investment in the county involving local, State, and Federal funding over the next 20 years. The project area consists of the entire County of Colusa. Each project identified in the 2025 RTP contributes to system preservation, capacity enhancement, safety, and/or multimodal enhancements. This RTP focuses on developing a coordinate and balance multimodal regional transportation system that is financially constrained to the revenues anticipated over the life of the plan (2045). The analysis in this initial study found no impacts that are anticipated to be potentially significant on a regional system-wide level.

The Colusa County Transportation Commission (CCTC), as the designated Regional Transportation Planning Agency (RTPA), is required by State law to prepare the RTP and transmit it to the California Department of Transportation (Caltrans) every four years. The RTP is required to be developed as per State legislation, Government Code §65080 et seq. of Chapter 2.5. The last full Colusa County RTP update was adopted in 2020.

A public hearing will be held at the Colusa County Transportation Commission Meeting on November 18, 2025, at 3:00 pm in the Government Center Board Chambers, located at 1215 Market Street Colusa, CA 95932. This document is proposed to be adopted at the same meeting.

This document has been filed with Colusa County Department of Public Works and is available for inspection and review at:

Colusa County Public Works
1215 Market Street
Colusa, CA 95932

The review period for this document is from October 1, 2025, through October 30, 2025. Written comments concerning this document will be accepted through the last day of the review period.
