Project Title:
Corning Water District water service connection project.

Project Location - Specific:
Corning Subbasin per DWR Bulletin 118. Coordinates: Latitude 39.89714, Longitude -122.21384.

Project Location – City:
Unincorporated

Project Location – County
Tehama County

Description of Nature, Purpose, and Beneficiaries of Project:
The Corning Water District will be installing a water service connection from its existing water system to an existing customer who desires to receive surface water when available. The project will involve the construction of a direct water service connection. This action covers the construction-related activities for installation of this water service connection which is an element of Corning GSP implementation activities to achieve long term groundwater sustainability in the Subbasin.
