NOTICE OF EXEMPTION

Project Title:
Lamppost Pizza

Control Number:
PLNP2025-00045

Project Location:
The project site is located at 717 Del Paso Road, on the northeastern corner of the intersection of Del Paso Road and Northgate Boulevard, in the Natomas community of unincorporated Sacramento County.

APN:
237-0600-005-0000

Description of Project:
The consists of a conditional use permit to renovate a 1,938 square foot commercial facility which had been used as a coffee shop to be used as a full-service Lamppost Pizza restaurant. The project would be limited to interior upgrades necessary for pizza shop operations.

Name of Public Agency Approving Project:
Sacramento County – ceqa@saccounty.gov

Person or Agency Carrying out Project:
Jeff Bernard
Kingdom Enterprises
717 Del Paso Road Sacramento, CA 95834
916-956-9530
Jeff@BagKing.com

Exempt Status:
Categorical Exemption (PRC Section 21084; CEQA Guidelines Sections 15300-15333):

- CEQA Guidelines Section 15301 – Existing Facilities

Reasons Why Project is Exempt:
Class One (1) consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features involving negligible or no expansion of existing or former use. The project consists of the operation of a full-service Lamppost Pizza restaurant within an existing commercial food service facility previously used as a coffee shop. The conversion would result in negligible/no expansion of use beyond what was previously existing and is therefore exempt from the provisions of CEQA.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

   The project exemption is not one of the above classes and this exception does not apply.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

   As it stands, the project will not result in potentially significant impacts. The project consists of interior renovations to an existing building not resulting in an expansion of use. Therefore, no cumulative impacts will result from the project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

   There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

   River Road/ Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

   The project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, implementation of the project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

   The project site does not contain any historical resources.
