Subject: Errata to the Draft Environmental Impact Report for Conditional Use Permit No. 24-03 (4Creeks / Sozinho Dairy No. 5) with State Clearinghouse Number: 2025100441

To Whom It May Concern:

Please add the attached document to the Draft Environmental Impact Report for Conditional Use Permit No. 24-03 (4Creeks / Sozinho Dairy No. 5) with State Clearinghouse Number: 2025100441.

The attached Errata to the Draft Environmental Impact Report (DEIR) for Conditional Use Permit No. 24-03 (4Creeks / Sozinho Dairy No. 5) corrects an administrative error in which an earlier draft of the project's initial study was inadvertently attached to the DEIR. The correct initial study which was released for public comment as part of a Notice of Preparation (NOP) of a DEIR for Conditional Use Permit No. 24-03 (4Creeks / Sozinho Dairy No. 5) is included with the attached Errata to the DEIR for Conditional Use Permit No. 24-03 (4Creeks / Sozinho Dairy No. 5). No changes have been made to this initial study since the release of the NOP and all potentially significant environmental impacts that were identified have been fully analyzed in the DEIR.

For additional information, see the attached documentation.

Sincerely,

Victor Hernandez
