| 9. Reason why project was exempt: | Pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), a project is exempt from CEQA if the activity is covered by the commonsense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This action involves minor text changes to the Zoning Code regarding certain regulations for feather flags and the process for architectural review applications. This action involves no physical impact. As such, there is no possibility that the amendment to the city's Zoning Code will have a significant effect on the environment. Therefore, a notice of exemption was prepared. |
