Subject: **State Clearinghouse No. 2025100945:** Requesting Changes to the Published Notice of Availability/Notice of Intent and Notice of Completion for Public Comment Period Extension: North Marin Line Stabilization Project

Attachments: Notice of Availability and Notice of Intent to Adopt a Mitigated Negative Declaration for the North Marin Line Stabilization Project; Notice of Completion & Environmental Document Transmittal for the North Marin Line Stabilization Project

In response to a request received by the California Department of Fish and Wildlife, Marin Municipal Water District (Marin Water) is extending the public comment period for the North Marin Line Stabilization Project. Attached to this memorandum we are submitting a revised Notice of Availability and Notice of Intent and a revised Notice of Completion that reflect the following changes (additions are shown as underlined text, deletions are shown as ~~struckthrough text~~):

- **Notice of Availability and Notice of Intent:** Page 3 has been revised to reflect the close of the public review period being extended from November 17, 2025 to November 26, 2025.
- **Notice of Completion:** Page 1 has been revised to include the Project's State Clearinghouse number and page 2 was revised to reflect the close of the public review period being extended from November 17, 2025 to November 26, 2025.

Sincerely,

Elysha Irish
Engineering Manager, Marin Municipal Water District
