PROJECT TITLE: SDG&E EV Chargers – Lot B
LOCATION: Old Town San Diego State Historic Park
COUNTY: San Diego

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT: This project proposes that San Diego Gas & Electric (SDG&E) install public electric vehicle chargers per Assembly Bill 1083 at Parking Lot B. The project would not add additional parking spaces but convert existing spaces. Ground disturbance includes trenching and excavating using excavators, backhoes, shoring systems, and shovels. New concrete will provide approximately four parking spaces including one ADA stall. During construction, the parking lot drive aisle will remain accessible and monitored with traffic and pedestrian controls plans. A Right-of-Entry permit will be issued to SDG&E to complete the work. An easement will be issued to SDG&E to provide SDG&E with the ability to maintain the EV chargers.

Further project detail and measures to be implemented to avoid and/or minimize environmental impact may be obtained by submitting a request to the project Environmental Coordinator listed below.
