No changes to the Town boundary or its Sphere of Influence are proposed as part of the General Plan Update.

The Town anticipates releasing a public review draft of the General Plan Update and the accompanying EIR in the spring of 2026. These documents will be available on the Town's General Plan Update website at www.SanAnselmoGP2045.org.

RE: Town of San Anselmo General Plan Update

To whom it may concern,

The Town of San Anselmo continues to update its General Plan and is now preparing an Environmental Impact Report (EIR). Pursuant to the requirements of the California Government Code §65352.3 (SB 18), the Town of San Anselmo previously notified the Federated Indians of Graton Rancheria of the General Plan Update effort in a letter dated June 4, 2024. The Tribe requested consultation in a letter to the Town dated August 13, 2024, and a consultation meeting was held between the Town and representatives of the Federated Indians of Graton Rancheria conducted on October 14, 2024. Following that meeting, the Town provided the draft Vision Statement and Guiding Principles to the Tribe for review. No comments were received, and no further consultation was requested at that time.

In accordance with Assembly Bill 52 (AB 52) and SB 18, the Town is again extending an invitation to the Federated Indians of Graton Rancheria to engage in further consultation regarding the General Plan Update, should the Tribe wish to do so. No changes of the Town boundary or its Sphere of Influence are proposed, and both remain consistent with what was discussed during the October 14, 2024, consultation meeting.

The Town anticipates releasing a public review version of both the General Plan Update and accompanying EIR in the spring of 2026. Draft documents will be available on the Town's General Plan Update website at www.SanAnselmoGP2045.org.
