Present Land Use/Zoning/General Plan Designation:

Highway

Project Description:

The California Department of Transportation (Caltrans) proposes to improve the existing intersection on SR 191 with Durham Pentz Road from PM 3.28 to 3.78. The current intersection configuration is a single-lane, four-leg temporary roundabout with painted features and a gravel central island. The posted speed limit is 55 mph on all legs. Prior to the temporary roundabout, this intersection was a four-way stop with an overhead flashing beacon. This intersection was changed to a temporary roundabout after the 2018 Camp Fire to help reduce delays to the trucks removing debris from the Paradise area. All temporary improvements were completed within the available right of way. This project proposes to improve the existing temporary roundabout by installing a permanent roundabout with a larger inscribed circle

diameter, raised splitter islands, raised truck apron, and chicanes. The project will also include electrical work such as, improving lighting, modifying flashing beacons, and upgrading a count station. Other proposed work includes upgrading signs, improvements to traffic striping, improving drainage including culverts and ditches, and constructing Maintenance Vehicle Pullouts (MVPs). Improvements to culverts and ditches will occur at the proposed MVPs, gas station driveway, and proposed driveway leading to the strawberry field on the east leg of Durham-Pentz Road, as well as around the roundabout. Tree removal and underground and overhead utility relocation may be required. Seven foot deep ground disturbance could occur during utility pole relocations. Acquisition of property rights will be required to accommodate the proposed roundabout improvements. Three parcels will be acquired in fee and a Temporary Construction Easement (TCE) will be required from the gas station for electrical work.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an **"X"**. If you have already sent your document to the agency, please denote that with an **"S"**.

__ Air Resources Board
