NOTICE OF PREPARATION OF A SUPPLEMENTAL ENVIRONMENTAL IMPACT REPORT ADDITIONAL DIGESTER FACILITIES UPGRADES PROJECT

FILE NOS: ER25-214
PROJECT APPLICANT: City of San José Planning, Building and Code Enforcement Department
APN: 015-31-024 and 015-31-044

Project Description: The Additional Digester Facilities Upgrades Project (Project) would replace existing digesters at the San José-Santa Clara Regional Wastewater Facility (Facility) and improve the overall efficiency and sustainability of the Facility. The Project includes: demolition of several existing structures; construction of six new digesters and associated infrastructure; construction of a new Fats, Oils, and Grease (FOG) receiving facility and associated infrastructure; and general site improvements such as rock landscaping, paving and grading, signage, street lighting, and exterior and interior lighting.

Location: The Project is located in northern Santa Clara County, within the Facility at 700 Los Esteros Road in the City of San José. The Project site is bound by Los Esteros Road to the north/west and Zanker Road to the east, and is located within the Facility's operational area.

As the Lead Agency, the City of San José will prepare a Supplemental Environmental Impact Report (SEIR) to the San José/Santa Clara Water Pollution Control Plant Master Plan (PMP) EIR (SCH #2011052074) for the Project. The City welcomes your input regarding the scope and content of the environmental information that is relevant to your area of interest, or to your agency's statutory responsibilities in connection with the Project. If you are affiliated with a public agency, this SEIR may be used by your agency when considering subsequent approvals related to the Project.

Scoping Meeting: A virtual environmental public scoping meeting for this Project will be held:

When: November 13, 2025 from 6:00 p.m. to 7:30 p.m.
Where: Via Zoom (see instructions below and on www.sanjoseca.gov/activeeirs)

The live meeting will be recorded. You will be muted upon entry to the meeting. Please do not unmute yourself until the presenter has called on you to speak. If you have not participated in a Zoom meeting before, we encourage you to download the Zoom application to your phone, tablet, or computer and feel free to log in early to troubleshoot any technical issues that may arise. Participants who are unable to install Zoom on their computer or mobile device can join a meeting through their computer's web browser. Meeting function may be limited on a web browser. Zoom currently works best with Google Chrome, Apple Safari, Mozilla Firefox, and Chromium Edge.
