Project Title: Truck Route Plan Update

Lead Agency: City of Perris

Contact Name: Rafael Garcia

Email: rgarcia@cityofperris.org Phone Number: 951.943.5003

Project Location: Perris (*City*) Riverside County (*County*)

Project Description (Proposed actions, location, and/or consequences).

A General Plan Amendment (GPA-25-00002) to the Circulation Element and a Zoning Code Text Amendment (ZTA-25-00006) to Title 10 of the Perris Municipal Code to update the truck routes by adding one truck route and removing three truck routes for compliance with AB 98.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Based on the analysis in the Initial Study, the City concluded that the project could have significant impacts on the following environmental issues: Air Quality, Energy, Greenhouse Gas Emissions, and Noise. All other environmental issues were either determined to have no impact or to have an impact less than significant. The Draft EIR determined that the project would not create any unavoidable significant impacts with respect to air quality, energy, greenhouse gas emissions, or noise during the implementation of the proposed Project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
