**Notice of Exemption**

**To:** Riverside County Clerk

**Project Title:** Nuevo Road Storm Drain Improvements Project  
**Project Location:** Nuevo Road, east of Old Nuevo Road to Ruby Drive  
**City:** Perris  
**County:** Riverside

**Description of Nature, Purpose, and Beneficiaries of Project:**

The proposed project consists of the relocation of existing 8-inch and 12-inch water pipelines within Nuevo Road as well as the relocation of three EMWD sewer manholes. These water facilities and manholes would be impacted by storm drain improvements being completed by the City of Perris so relocation and regrading would prevent impacts to the services provided by EMWD's facilities. Beneficiaries of the project are EMWD ratepayers.

**Public Agency Approving and Carrying Out Project:** Eastern Municipal Water District

**Exempt Status:**

Categorical. 15302(c)

**Reasons why project is exempt:**

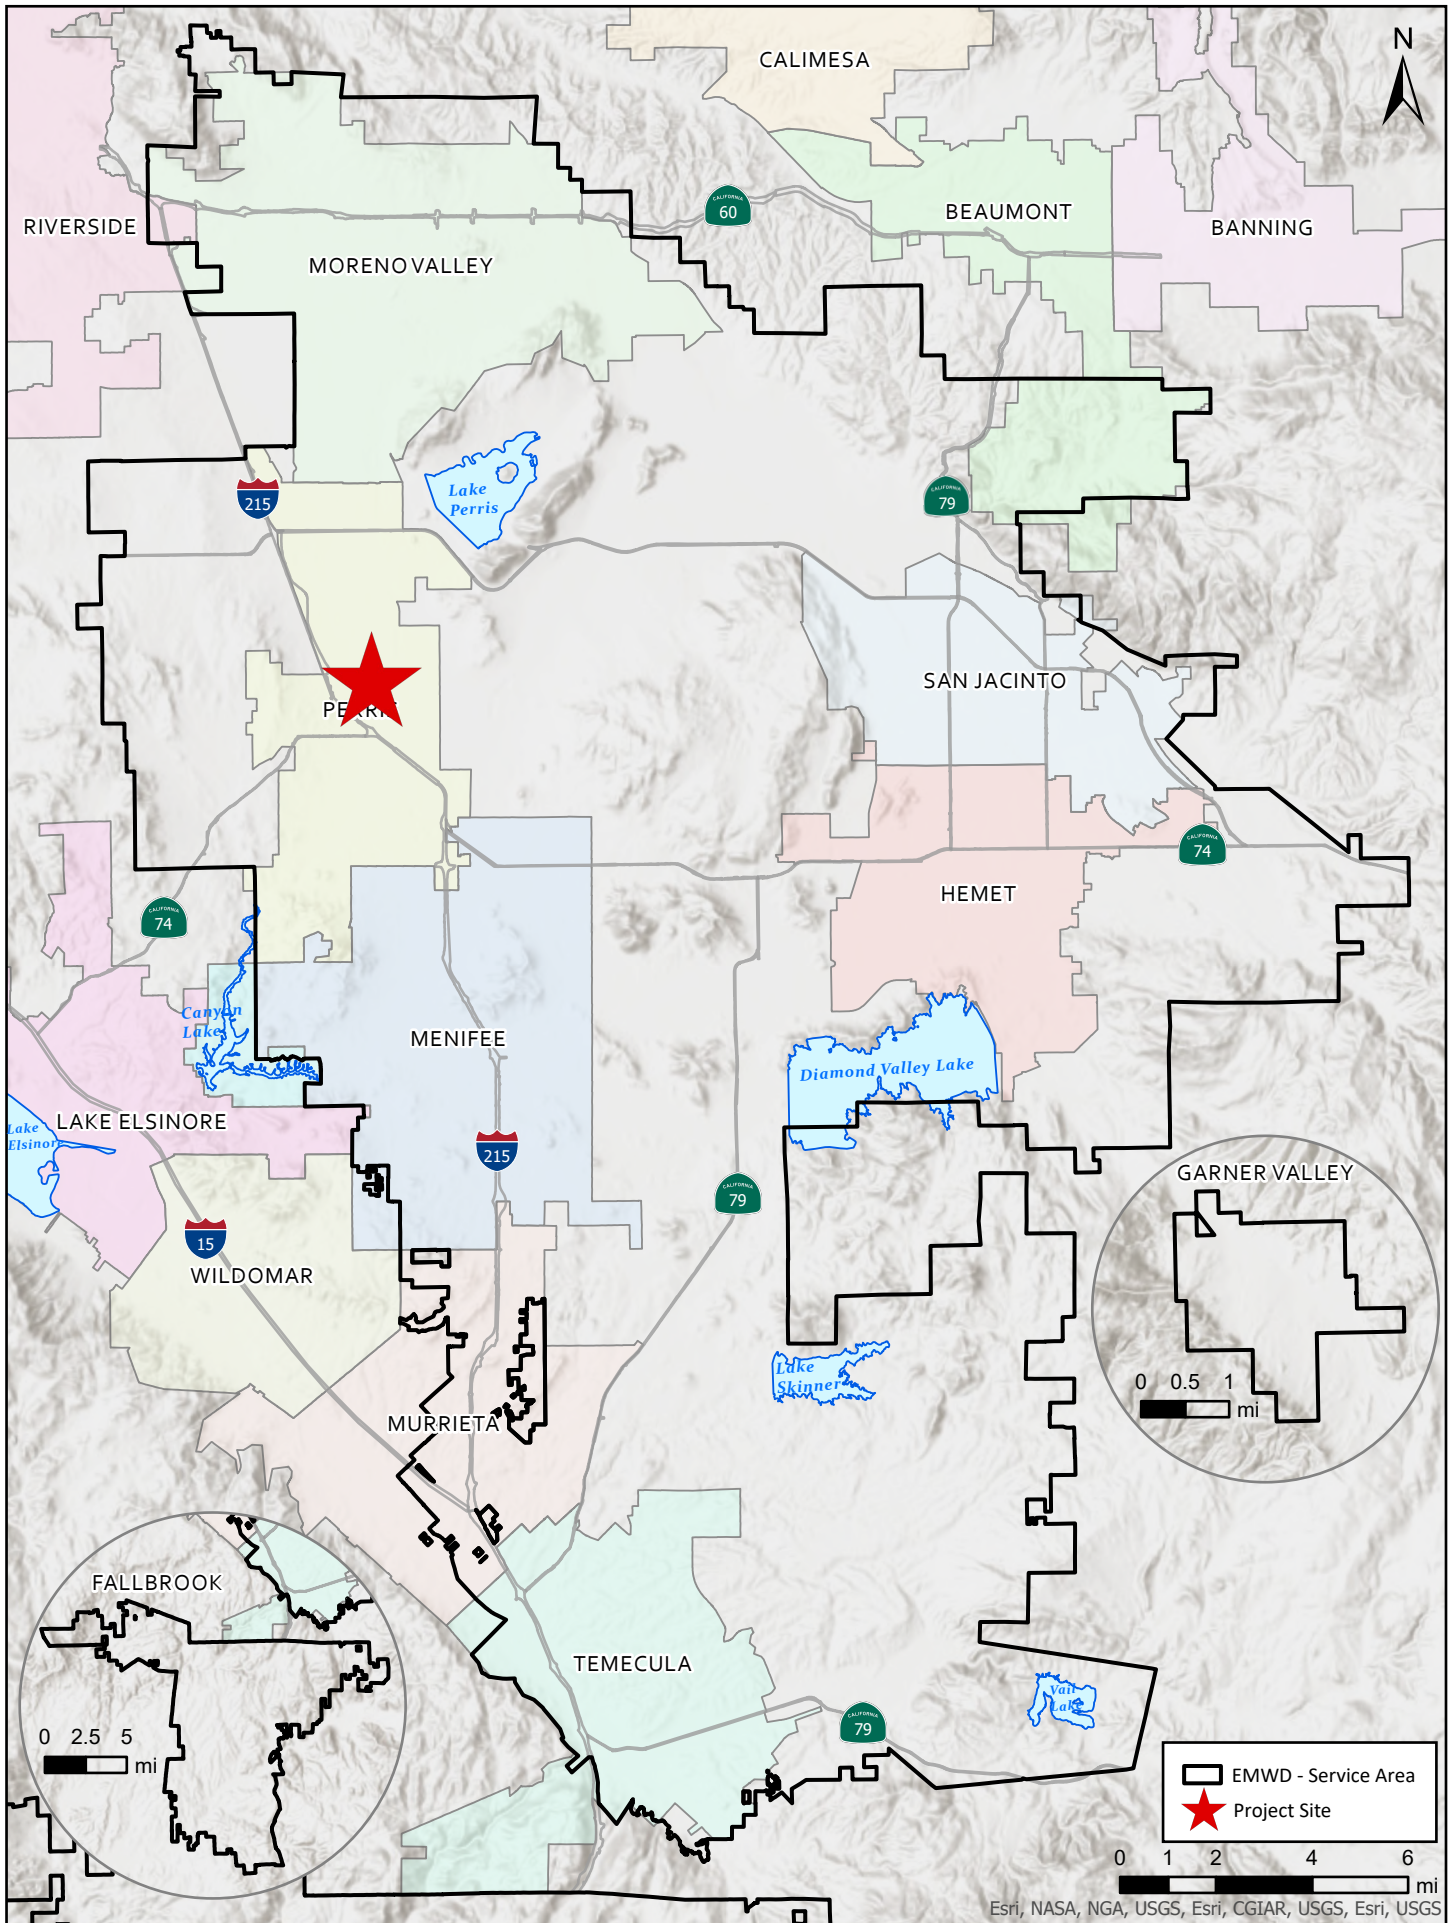

Implementation of the proposed project would consist of the reconstruction of an existing utility system and/or facility involving negligible or no expansion of capacity, where the new structure would be located on the same site as the structure replaced and will have substantially the same purpose. The pipelines and manholes would be located within the Nuevo Road right-of-way, a few feet from the original location.
