P.O. Box 4191106
Rancho Cordova, CA 95741-9106

Project Title: Eris Ventures, Inc. (Project)

Project Location: The Project is located at 4825 San Leandro St, in the city of Oakland.

County: Alameda

Project Description: The Department of Cannabis Control, pursuant to authority granted under Business and Professions Code, Section 26012, approved a medium indoor commercial cannabis license submitted on February 6th, 2025, by Eris Ventures, Inc.

Project Activities: The Project will consist of an indoor cannabis cultivation facility that is approximately 19,900 square feet in an existing building in the City of Oakland. The project will cultivate approximately 15,872 square feet of mature canopy and 2,304 square feet of immature plants. The previous use for the property was a warehouse for plants. The property that the project is located on is zoned for general industrial. The project will not involve an expansion of the existing structures.

Exemption Status: (check one)
☐ Ministerial [PRC, Sec. 21080(b)(1); Cal. Code Regs., tit. 14 (CCR), § 15268]
☐ Declared Emergency [PRC, Sec. 21080(b)(3); CCR, §15269(a)]
☐ Emergency Project [PRC, Sec. 21080(b)(4); CCR, § 15269(b)(c)]
☒ Categorical Exemption: [Class 3 and Class 32 Categorical Exemption, CCR§15303 and §15332]
☐ Statutory Exemptions: [State code section number]
☐ General Rule [CCR, § 15061(b)(3)]

Reasons Why Project is Exempt:
The Department of Cannabis Control has determined that the project is a Class 3 and Class 32 Categorical Exemption project. Class 3 Categorical Exemptions consist of the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. Class 32 Categorical Exemptions consist of projects characterized as in-fill development that satisfies the following: is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations; occurs within city limits on a project site of no more than five acres; is substantially surrounded by urban uses; has no value as habitat for endangered, rare or threatened species; would not result in any significant effects relating to traffic, noise, air quality, or water quality; and can be adequately served by all required utilities and public services. None of the exceptions to this exemption defined in Section 15300.2 apply.

This is to certify that the final environmental document, comments and responses, and the record of project approval are available to the public at the following location:
