Project Description:

The proposed Project consists of removing emergent vegetation to enhance wildlife habitat at Crespi Pond. Emergent vegetation would be removed around the pond's perimeter and within a central portion of the pond to maintain approximately 70 percent open water habitat and 30 percent emergent vegetation. Approximately 0.78 acre of emergent vegetation in the pond is proposed for removal and would consist primarily of California tule with a lesser component of narrow-leaved cattail.

This is to advise that the City of Pacific Grove City Council has approved the above (Lead Agency or Responsible Agency)

described project on May 6, 2026 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Community Development Department, 300 Forest Avenue, 2nd Floor, Pacific Grove, CA 93953
