**Re: Koko Nor Corporation – Amendment to Petition for Change – Napa County
License 6874 (Application 16960)**

Dear Mr. Brown:

On behalf of Koko Nor Corporation, we are requesting an amendment to the petition for change filed on August 17, 2012. The purpose of this amendment is to reduce the requested place of use. The place of use is being reduced from 153 acres down to 126 acres, as shown on the attached maps.

The new owner has had the property surveyed for soil type and slope and has more accurately identified the areas they intend to develop. This amendment does not change the request to add frost protection as purposes of use as identified in the November 1, 2013 email to you.

The requested amendments are set forth on the following page:

2151 River Plaza Drive • Suite 100 • Sacramento, CA 95833-4133
Ph: 916-441-6850 or 916-448-2821 • Fax: 916-779-3120
